that the lands are lying fallow for a long time, that there are none to take up the right of cultivation and that jodi and cesses due thereon are being paid from out of the temple funds and that it derives no income from the said lands. The pahani extract enclosed, discloses also that the lands are lying banjar since a long time. The Dharmadarsis appointed for the institution have no objection to the cancellation of in-

I request, therefore, that sanction of Government may be kindly obtained for the cancellation of the inam tenure of the above and for disposing of them as per darkhast rules, and crediting the sale proceeds if realised, to the funds of the institution.
